Healing Forward

Welcome to our newly elected Conference Minister!

On June 19 at the Southeast Conference Annual Meeting, delegates voted unanimously to call The Reverend Kimberly Wood as our next settled Conference Minister. Rev. Wood expects to begin in the Fall.

If you have missed information about Rev. Wood, she is currently serving as an Associate Conference Minister for the Illinois Conference. Her biography can be found on our website.

We rejoice and ask God's blessings as we move forward in new ways!

(The beautiful flowers were a congratulatory gift from the Conference, delivered to Kim's home following the vote on Saturday.)
